CHECK IT OUT

The 1988-89 school year marks the end of a decade at Eastside High School. As we look back over the year, we see that Eastside held all of the interest and vitality that was characteristic of the 1980's. For the seniors, this year also marks the end of an era in their lives, enabling each to choose the path that he or she will follow as an adult. As the seniors take advantage of all the benefits that are theirs, the underclassmen await their chance to be the school's leaders. Check out what role each person has chosen to pursue at Eastside in 1989!

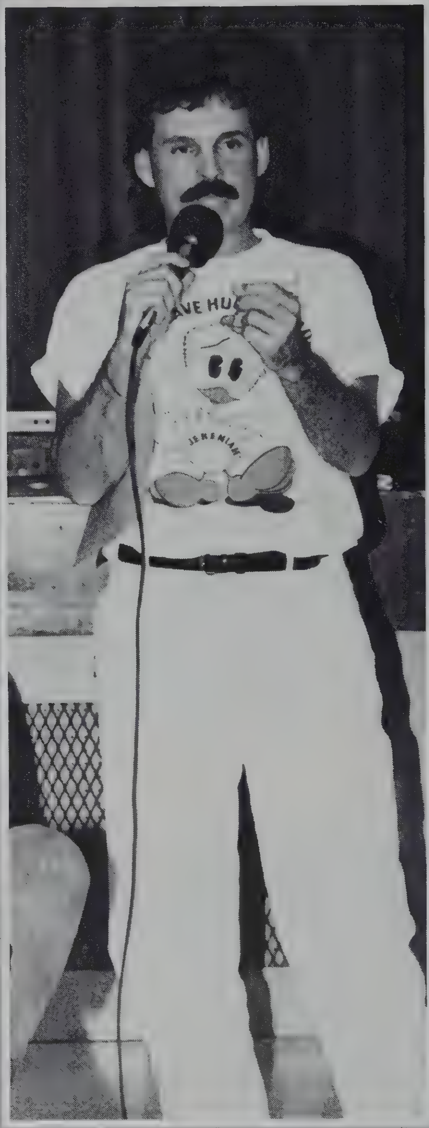
OPEN YOUR EYES



Tom McKean, a former drug addict and dealer, spoke to Eastside students during an in-school convocation. McKean's message is simple, "Hugs, NOT drugs!" McKean tells students his life story, including the death of both of his parents and the drug related death of his former girlfriend. McKean shares how his Sunday afternoon experiment with cocaine turned into a $400-a-day habit that cost him his career, his home, and his $40,000 savings.

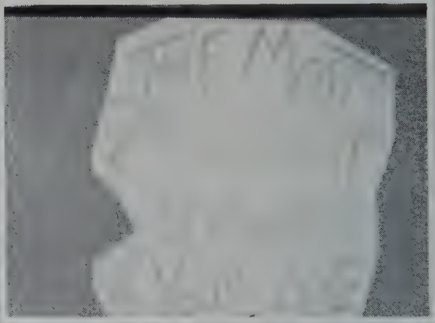
In financial ruin but still hooked, McKean turned to selling to finance his addiction. This led to his arrest while trying to sell drugs to two undercover officers in Auburn. His arrest and short stay in jail did not deter McKean from his addiction. DeKalb Superior Court Judge Charles Quinn sentenced McKean to serve five years in jail. Quinn, after receiving prison reports indicating a change in McKean's attitude, released him after serving only twenty months of his sentence.

Upon release, McKean was ordered to serve 500 hours campaigning against drug abuse. During his lectures McKean stresses such slogans as "I'd rather have hugs than drugs" and "If you're huggin' you're not druggin'." McKean wishes to love kids off drugs, not preach them off. He cites three major reasons that teens use drugs: loneliness, boredom and lack of motivation. He speaks of drugfree outlets for these feelings.

McKean realized how important follow-up programs are after a teen talking of suicide during one of his programs carried through with it after McKean left. McKean now puts the responsibility on the community. He trains adults to help the teens after he has done his presentation.

McKean's program has received high marks from law enforcement professionals across Indiana. Viewing that a sure sign of approval, McKean intends to continue spreading his message of hope, not dope.

Tom McKean can be reached at 219-422-0047.



On Friday, January 27, 1989, Eastside High School was the sight of Mr. Sam Rhine's 2382nd presentation of "The Most Important Nine Months of Your Life," a program informing teens of the causes and preventions of birth defects and mental retardation.

Mr. Rhine outlines the development of a human from conception until birth, including when organs are developed and at what stage of development various birth defects occur. The earliest, most crucial development occurs within the first two months of pregnancy; consequently, making these two months the most important time of the

Sam Rhine

pregnancy when there is concern about a handicap.

The developing child is referred to as a fetus at the end of forty-nine days. At eight weeks arms, hands, fingers, legs, feet, toes, eyes, ears, ribs, and the umbilical cord (allowing nutrients in and wastes out) are developed.

Approximately five percent of all babies born have some type of birth defect. These defects include mental retardation, a physical handicap or a problem requiring surgical correction. The number one factor necessary to prevent birth defects is responsibility. Both partners are responsible for the prevention of birth defects. Birth defects are either genetic of acquired. Genetic defects, such as cleft lip, are inherited through genes or chromosomes. Fetal Alcohol Syndrome, a defect acquired during pregnancy, harms more babies than all other drugs put together.

Low birth weight, a weight under five and one half pounds, generally appears in premature babies, those born before the thirty-seventh week of pregnancy. The full development of the lungs, heart, liver, and brain are all concerns with low birth weight babies. The best way to prevent low birth weight babies is good prenatal care.

IGNORANCE — the one word that best describes what the average teenager really knows about pregnancy. The United States is number one in teenage pregnancies. Nearly one million teenagers become pregnant yearly in the United States. Eighty percent of these pregnancies are unplanned. Mr. Rhine offers an explanation with the use of the four I's:

1. Irresponsibility
2. Immaturity
3. Insecurity
4. Ignorance

Along with the fact that most teenagers are either uninformed or misinformed about sex and pregnancy.

Parents, the primary educators about pregnancy, are not getting the message across to their teens. Only ten percent of American parents have talked to their teens, while just three percent have done a good job. Most of the (mis)information comes from peers.

Although early pregnancy detection and good prenatal care reduce the chances of birth defects and mental retardation, Mr. Rhine emphasizes that abstinence is the best way of prevention when he stresses . . .

NO
It's OK to say NO!!

"WHALES ON WHEELS"

Eastside students enjoyed the "Whales on Wheels" convocation presented by Sea World. The convocation helped students discover how it is believed that the present day marine mammal evolved from a land mammal centuries ago.

The pectoral fins show jointed digits resembling those of previous land mammals from which the whale is believed to evolve. The whale's body is insulated with a thick layer of blubber to protect it from the extreme colds of the ocean bottom. The whale breathes through two holes resembling nostrils of land mammals.

Whales perform deep dives and produce great ballads while hunting a mate. The unborn whale is carried for nine to sixteen months, depending upon the species. The infant is approximately 7 m long and 1.8 metric tons. The whale may live to be 80 years old.

Eastside students were desperately searching for the mystery clues when the Drama department presented "Something To Hide," a three act drama by Leslie Sands.

The thriller was ingeniously based on a road accident involving writer, Howard Holt, his wife Karen Holt, and his mistress Julie Grant. When the writer finds out that his wife has run down his mistress in a car and killed her, they agree to dispose of the body. However, the clever Detective Davies uses clues given by the couple, their nosey maid Stella, their busybody of a neighbor Miss Cunningham, and the garage man Mr. Purdie to discover that Julie Grant is really alive and that Karen Holt shot and killed her husband because she needed to kill a man that ". . . wasn't fit to live." The play ends as Karen is led off to jail, and the mystery is finally solved.

Seven cast members, their talented crew, and creative directors managed to turn the play into a successful production.

HOMETOWN SCHOOL: Lycee Rene Cassin
Size: Large (over 1,000 students)

HOW DOES YOUR SCHOOL DIFFER FROM EASTSIDE?

My school is a lot bigger than Eastside. Two thousand people in grades 10-12 attend classes. There is much more homework and school days start at 7:50 a.m., with a two hour break for lunch, and go until 6:00 p.m. French schools have weekly schedules, rather than daily schedules. After the tenth grade students must choose a specialized course of study. After the twelth grade, students must pass an examination called the bac.

PLEASE DESCRIBE YOUR FAMILY.

I have no brothers or sisters. I live with my mother. She is a nurse in a public hospital. I'm very close to my grandparents and visit them often because they live nearby.

WHAT ARE YOUR HOBBIES?

I really enjoy fishing in the many rivers in France. I like listening to heavy metal tapes. I also enjoy snowskiing and mechanics.

FAVORITE MOVIE: Cry Freedom

FAVORITE SONG: The Trooper

FAVORITE GROUP: Iron Maiden

FAVORITE SPORT: Handball and Rugby

WHAT DO YOU MISS MOST FROM HOME?

I miss my friends, living in the city, French food, handball, and rugby.

MOST MEMORABLE EXPERIENCE IN THE UNITED STATES:

I will always remember landing in O'Hara airport without anyone to meet me, and unable to speak a complet sentence of English. It took me an hour to find the right company, and when I did, it was nearly impossible t communicate. People would ask me questions and I could only respond with a dumb stare. When I finally understoo which terminal I was supposed to go to, it took me another hour to find it. On the way there I bought my first Pepsi i America. They didn't understand my English, so I could only point and hand them the money. When I had finall found my loading gate, I had to wait another hour. About five minutes before I boarded my plane, a man walked up t me and told me that he was supposed to help me find my plane. I don't know what I would've done without him

HOW DOES YOUR SCHOOL DIFFER FROM EASTSIDE?
We can't choose classes. We have to wear uniform. We can't wear make-up, perm, ears pierced. We don't discuss during class. We stay same classroom a year. We have to go to school on Saturday. There are many subjects that we have to do. There are many people in each classroom. Eastside has a lot of freedom. My school doesn't have anything we enjoy. High school is not compulsory education system in Japan. We have to take entrance exam.

PLEASE DESCRIBE YOUR FAMILY.
There are five people in my family, father, mother, a older brother, a younger sister, and me. My parents go to same workshop. They cook Japanese health foods. They work in like restaurant. My brother works in a subcontract factory. He is making video tape recorder. He can play drums. My sister goes to junior high school. She can play piano. My family loves music.

WHAT ARE YOUR HOBBIES?
My hobby is playing the piano, listening to music, reading a book.

FAVORITE TV SHOW: Pee-Wee Herman, Little House on the Prairie, Cosby Show

FAVORITE MOVIE: Like Father Like Son, Breakfast Club, LaBamba

FAVORITE SPORT: Basketball

FAVORITE FOOD: Biscuit and Gravy, Taco Pizza

WHAT DO YOU MISS MOST FROM HOME?
Speaking Japanese.

MOST MEMORABLE EXPERIENCE IN THE UNITED STATES:
My every day memorable experiences are all very special to me. I treasure every experience that has happen to me during my stay here in the United States because of my freedom I have had here.

I LOVE AMERICA AND AMERICANS!!

HOW DOES YOUR SCHOOL DIFFER FROM EASTSIDE?

At my home school we have different classes each day. We have more time between the classes and 50 minutes lunch period.

PLEASE DESCRIBE YOUR FAMILY.

I have two sisters, a younger one and an older one. My mother is a dentist and my father is working on a office. We are a Danish average family and we live in a house outside Copenhagen.

WHAT ARE YOUR HOBBIES?

Sports, TV, reading, music (listen to), traveling.

FAVORITE TV SHOW: Late Night David Letterman

FAVORITE SONG: Eat Me, I'm a Danish

FAVORITE GROUP: U2, AC/DC

FAVORITE SPORT: Soccer

FAVORITE FOOD: Pizza

WHAT DO YOU MISS MOST FROM HOME?

Soccer, my friends, my family, the Danish language.

MOST MEMORABLE EXPERIENCE IN THE UNITED STATES:

The Hoosier Hysteria, I like the Eastside basketball games with all that excitement and hysteria around a game. I especially liked the DeKalb game, even though we lost. I can't find the most memorable experience I have had, because there have been a lot. But there have been a lot during football and basketball seasons which have been the sports I have joined at Eastside so far. I also liked the Super Bowl.

Thanks to all the coaches at Eastside who have helped me to understand the American sports, especially Coach Drotar, Fetzer, Wicker, and Coach Hollabaugh. Also thanks to the students of EHS who have helped me in school and sports.

HOST COUNTRY: France

HOST CITY: Aix-les-Bains
Size: Large (60,000 residents)

HOST SCHOOL: Lycee Mixte Ployvalent d'Aix-les-Bains
Size: Large (2,200 students)

IOW DOES LYCEE MIXTEE PLOYVALENT DIFFER FROM EASTSIDE?
It's just a tad bit bigger but other than that, it's the same. I have a different schedule everyday; no class Wednesday r lundi (Monday) afternoons — cool!! In total, I have 25 hours of class a week.

ESCRIBE YOUR HOST FAMILIES.
First family: Doucet — Caroline (18), Muriel (23), and Nicolas (24)
Second family: Auriach — Valerie (15) and Isabelle (17).

VHAT IS YOUR FAVORITE PASTTIME IN FRANCE?
Walk in the mountains or pass time in a little bar where we play pool and listen to music, etc., cross country ski and ownhill ski.

VHAT IS THE FOOD LIKE?
Food is excellent as one can tell because I've gained close to 20 pounds.

VHAT IS YOUR FAVORITE FRENCH ROCK GROUP?
French music is actually terrible!

S THE MUSIC SIMILAR?
Exactly the same but more European groups that don't exist in the U.S.

RE THE SPORTS SIMILAR?
Yes

F NOT, HOW DO THEY DIFFER?
They also play a lot of soccer, rugby, and handball. I even started throwing the javelin! Ha! What a joke. Everybody nows how weak I am.

VHAT IS YOUR FAVORITE ONE?
Soccer

VHAT DO YOU MISS MOST FROM HOME?
My family, friends, and FAST FOOD!!

IOST MEMORABLE EXPERIENCE IN FRANCE:
I've got so many but the one that I remember the most is when I spent a fun-filled week in Paris. It's definitely not the fe of Butler, Indiana!!

HEATHER BUNGARD

HOST COUNTRY: Spain

HOST SCHOOL: Instituto do Lejana
Size: Medium (600 students)

HOW DOES INSTITUTO DE LEJANA DIFFER FROM EASTSIDE?
Classes are a lot harder because of the different teaching system. We stay in one room while the teachers come to us. We do not use Mr. or Mrs. with teachers — I don't even know any of their last names! Instead of bells we have sirens. Most schools do not have cafeterias, although some have bars (mine has neither). There's a ton of things I could add — it's great!!

DESCRIBE YOUR HOST FAMILY.
I have a brother, Jon (10), and a sister, Elena (14). My mom is a very important doctor who is practically famous and my dad is a famous director of a department in the University. We have a monster German Shepherd and in the country we've got 3 horses and a million sheep (more like 50) and apple, fig, walnut, and chestnut trees.

WHAT IS YOUR FAVORITE PASTTIME IN SPAIN?
Sleeping! When I'm not doing that or studying, I love to go to the discos or bars and dance.

WHAT IS THE FOOD LIKE?
My favorite is called tortilla potata (potato cake). It is an omlet with potato and onions.

WHAT IS YOUR FAVORITE SPANISH ROCK GROUP?
Can't say. I like them all, but Mecano, el Norte, and an Halian, Eros Ramazotti are good.

IS THE MUSIC SIMILAR?
I think so, but the taste is different. The only hard group I've heard is Sangre Azul (Blue Blood).

ARE THE SPORTS SIMILAR?
More or less.

IF NOT, HOW DO THEY DIFFER?
They have basketball, but they like soccer better. My school doesn't have school sports, but the guys get together to play soccer. They have some weird ones like "handball," a combination of basketball and soccer.

WHAT IS YOUR FAVORITE ONE?
Basketball !!

WHAT DO YOU MISS MOST FROM HOME?
Believe it or not, I miss EHS most — all of my friends, the sports, the dances, the school pizza . . . Our school is kind of generic because it's only two years old.

MOST MEMORABLE EXPERIENCE IN SPAIN:
The time I went bareback riding with my sister and a cousin comes to mind first. I had to get down and open a wooden gate near a river that had at least six inches of very slippery, very soft, very GROSS mud in front of it. I slipped and got my right leg, and both arms halfway up my wrists totally covered with mud! I still have a little stuck in my class ring; the stuff is impossible to clean!

The spring of 1989 saw a very successful production of Jim Jacob and Warren Casey's award winning "Grease." I feel this was, by far, the greatest show that the Eastside fine arts department has ever done. The tremendous job of the directors did in casting "Grease" really paid off. Not only did the characters and the actors mold together, but everyone worked incredibly well together to make it a hit. I am really glad that I got the chance to work with such talented musicians, singers, actors, and dancers. We all learned a lot, and will remember the great love and friendships that grew as the rehearsals led to opening night. "Friends are friends forever!"

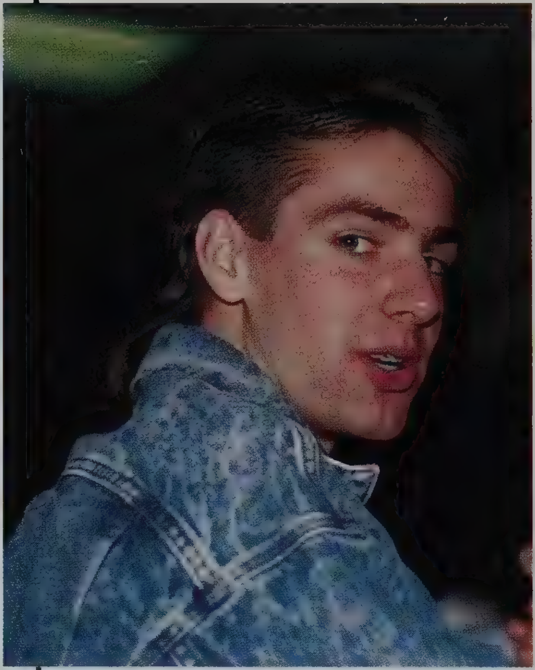
The Dreams Of Today Are The Realities Of Tomorrow

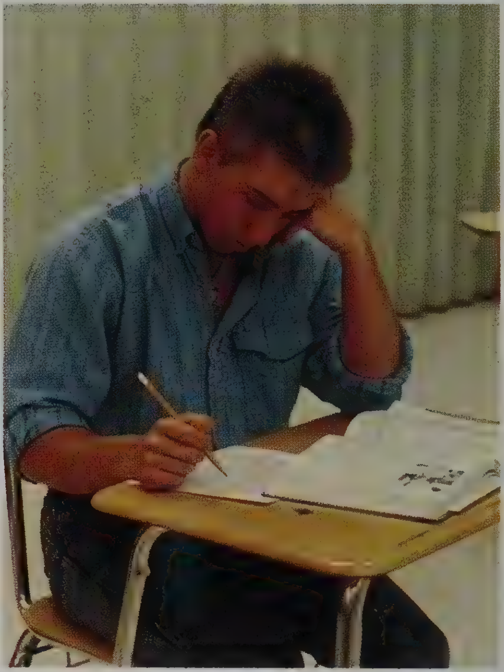
left — Dan Chavis, Matt Hiler and Shane Krafft take a short break from their diesel mechanics class to pose for the camera.
middle left — Mark Crowl and Steve Eck do their best to look hyper-league cool as they assume their normal morning stance.
below — The SENIORS display their natural flair for the fine arts in their creative hall decoration.

above — Hasn't your mother ever told you that your face might freeze like that? DeAnn Ludeker ignores this advice.
far left — Rhonda Murphy is this year's victim of the dreaded "surprise!" shot.
left — "Don't you dare take this picture," says Joy Hayes jokingly.

right — Matt Shockley looks up apprehensively as he and Carmen Hollman check their journal entries in accounting class.
lower right — Keith Mullett sets the example by really hitting the books to get that "A."
below — Doug Underhill is another victim of the perennial "surprise!" photo.

below left — Tim Maloney and Ryan Reinhart exert themselves to win the tug-of-war contest between the classes.
lower left — Teresa Harris, Tonya Witt, Amy Dohner, Kerri Simmering, and Zach Willoughby in the choir room working hard to become the opratic stars that Mr. Ash hopes for them to become.





upper right — Julie Rosenberry and Valerie Burton pause from their diligent studies to give a cheerful pose.
lower left — Kevin Crowl always does his best to make a good impression especially in photographs.

In October members elected new officers for the year. Students attended the Purdue Tractor Pull and the Indy Super Pull with the DeKalb and Lakeland FFA chapters. Eight students participated in the District III Leadership Contests and proficiency awards. Chris Washler represented Eastisde as the District III reporter and received his Hoosier-Farmer Degree. Fund raisers included picking up rocks for an area farmer and removing 9,000 chickens from a hen house.

The National Honor Society is based on four elements: scholarship, leadership, character, and service. To qualify for membership, a person must be a high school junior or senior, have an accumulated grade point average of at least 8.00, have chosen academic courses, and be an active member of the student body. This year the Eastside National Honor Society inducted fourteen new members during a candlelight ceremony in the cafetorium. The group chose to donate baked goods for the Fine Arts Festival bake sale as the community service project. A banquet at the Hamilton House concluded the activities for the Eastside National Honor Society for the 1988-1989 year.

During the 1988-1989 school year, the student council planned activities that added to the richness of school life at Eastside. Fall homecoming included the "Battle of the Classes" which found the seniors champions of the competitions. The student council donated two hundred and fifty dollars to the United Way to help continue its efforts in DeKalb County. A leadership conference was also created to further class and club officers' understanding of their responsibilities as leaders. The Whales on Wheels convocation provided additional educational experience beyond the classroom. Many student council members assisted with senior breakfast and Christmas dinner. The student council would like to thank all students, teachers, and administrators who made this a successful year.

The Eastside High School Blazettes have enjoyed a year of exciting preformances. Our first performance was at camp at Purdue University where we received a blue ribbon. We also performed in several parades and at football games with the band. We concluded our season with performances at the girls' basketball games and school pep sessions. We not only performed with pom pons, but also with flags, streamers, rings, and gloves.

VICA had 100% participation this year, enabling us to do more than in the past. We played some basketball, had fund raisers, and worked on projects for people. Our pay came in the form of trust in our knowledge since we cannot charge for our diesel services.

Five people went to VICA regional with three qualifying for state and earning the chance to win a $12,000 scholarship. The regional winners were P.J. Mack, Chuck Lucarelli, and Ted Lichtsinn. The demand for diesel trained people right out of high school is great. We have more phone calls than people to place in jobs or advanced training. We want to thank everyone who has been helpful to our program.

The Spanish club had an eventful year in which many students participated. We took two field trips. In the fall, we attended a performance of the Ballet Forklorico Mexicano de Jorge Tyller at the Scotish Rite. This Mexican music and dance group gave a cultural and educational insight into the country of Mexico by performing a variety of regional and Aztec dances. The Spanish club also attended the play "El Sombrero de Tres Picos" (The Three Cornered Hat) which Spanish III students are required to read. The trips that the Spanish club went on were very entertaining as well as educational.

Fifth row — Butch Coburn, Duane Fry, Jerry Henke, Jerry Eck, Kevin Ortiz, Jeff Lang, Scott Cline, Todd Hill, Matt Webb, Ryan Bennett.

The 1988-89 pep club consisted of approximately sixty members from grades 9-12. Our business and "Spirit" meetings sharpened our skills at keeping the spirit alive during games. Spirit began this fall with the Homecoming Parade when the pep club and friends built a huge megaphone float. We sold school buttons, made posters, decorated hallways, made cookies, participated in pep sessions, and arrived at schol at 6:45 a.m. to prepare breakfast for different teams. We sponsored the Sadie Hawkins Dance, and this year we ordered our first pep club sweatshirts. Above all, we tried to instill pride and school spirit here at Eastside.

top — Smile! Mrs. Koomler is caught by a sneaky photographer.

above — The room never seen by most Eastside students, the yearbook room. Staff members spent countless hours here producing the 1989 yearbook.

The 1989 Easterner staff was an enthused group dedicated to producing a first-rate book. The members worked hard to learn the "tricks of the trade" during the new yearbook production class.

The staff received a new advisor, Mrs. Koomler. Mrs. Koomler came to the staff without any background in the yearbook production process, but the staff soon had her broke-in.

I would like to thank my assistant editor, Debra Jarrett. DeAnn Ludeker, serving as the ad campaign chairperson, and creative Sam Minehart added a twist to the captions found throughout the book. I would like to thank each member for their hard work and dedication, Mrs. Koomler for her patience and guidance, Mrs. Albright for her cooperation with the staff, and all of the coaches and players who contributed to the production of the 1989 Easterner.

Third row — Donnis Snyder, Angi Bixler, Thom Foster, John Van Dyke, Troy Evanoff, Scott Sanders, Travis Hill.

The French club offers several activities to its members each year. The most popular is the annual trip to Cafe Johnelle. This experience gives the group a taste of exquisite French cuisine.

Another favorite is attending a French/English play put on by the National Theatre of Performing Arts. Not only do the students see the French language in action, but they also got to stop at McDonalds for lunch on the way home.

This year members gathered for a Christmas celebration at the home of Mrs. Pfister, their sponsor, where they played Pictionary and enjoyed some Pizza Hut pizza.

This summer (1989), two members, Jayne Gilbert and Janel Diehl, will be touring France along with Mrs. Pfister. They will have an opportunity to see many famous sights in Paris such as the Eiffel Tower and the Arc of Triumph. They will also visit some of the castles and the D-Day beaches.

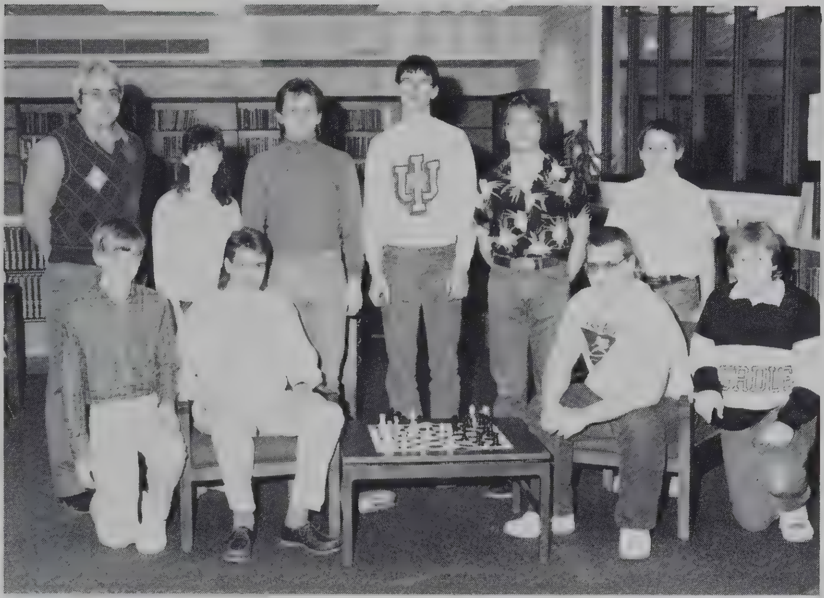
CHESS CLUB



First row — Jack Steckley, Doug Underhill, Noah Schimpf, Nathan Frye. Second row — Mr. Hill, Christina Riley, Sam Minehart, Brian Moore, James Ross, Jay Haglund.

"Check mate!" This unfortunately, for me, was an all too often heard expression in Chess Club. However, other members of the club often exclaimed these words in victory. The personnel involved ranged from a national chess champion to beginners. The club's national champion, Doug Underhill, had proven to be an excellent teacher and an exasperating opponent. The entire team learned a great deal from him.

The team finished 5th at the Regionals, 15th at state, and 26th at Nationals. Many members of the team did exceptionally well at these meets. Damion Dickerhoff played some of his best matches at state, and Danny Reed played brillantly at Nationals. The chess team also had an opportunity to do some sightseeing while in Knoxville during National competition.

The Club sponsor is Mr. Hill. The club really appreciates all the time, effort, and patience he puts into coaching and teaching us the battlefield of chess.

Fourth row — Chris Lake, Jason Smith, Matt Webb, Todd Miller, Ryan Means, Almond Handshoe, Shane Delagrange, Robert Schlatter, Doug Underhill, Jae Bowman, Ron Hessert, Chad Liberty.

As always the science club had a very busy year. This year the club had about fifty members. The club went to the St. Joe Haunted Barn on Halloween. Two ski trips to Wawasee added to the science club's fun. Both trips were successful, no broken body parts or skinned faces. The club had the opportunity to go scuba diving and swimming at Tri-State University. The club also had an exciting trip to Chicago where they visited the Aquarium and the Sears Tower. The science club enjoyed a full and eventful year.

Second row — Lori Buell, Dana Bigger, Buffy Williamson, Jonnie Owsley, Tracy Harter, Tara Everetts, Mrs. Stephens. Third row — Vincent Jacquay, Jeremy Kaiser, Elton Owsley.

The senior high art club has been involved in several activities. Starting off the year, we designed place mats for the Meadowhaven Nursing Home. Then we took our annual art club field trip to Fort Wayne. There we visited St. Francis College, Art Link, and the Art Museum. In May, we participated in the DeKalb Eastern's Fine Art Festival at Maxton Park. Finishing off the year, we sponsored a spring art contest.

This year the newspaper offered something new and exciting. One of the goals of the journalism class was to make the paper look more like a realistic, multi-paged paper. To do this the class sold ads, included more pictures and articles, and sent the completed paper to be printed by a printing company. The staff worked with computers to write and produce articles, and they used a light board to layout and paste the paper. Because of the variety of students and their dedication, the newspaper met their goals for the school newspaper and provided students with the news events of each month.

The weight lifting club had a very active membership in 1988-1989. With seventy-five members from the high school and thirty from the junior high the weight room saw a lot of use. The lift-a-thon in March had the most participants ever and turned out to be very successful. One of the rewards for being part of the lift-a-thon was the club T-shirt which all club members wore with pride.

VOLLEYBALL

Hard work, dedication, and team work helped us have a better season than last year. Communication was good among the team, and the team got along all season. We had a strong desire to win. Even though there were a lot of close games, we ended up winning several more games than we did last season.

Valerie Ortiz was chosen as most valuable player. Amy Bosserman was named best offensive player, and Rhonda Murphy was picked as best defensive player.

1988 NECC Champs

The 1988 season was probably the most exciting year of football this school has ever seen. Even though people considered us "dark horses" this season, we pulled off some good games. We also accomplished something that no other team in Eastside history has done, and that was to capture the N.E.C.C. crown. As a captain I not only speak for myself, but for the whole team, when I say that we have to thank the coaching staff for the great job they did with us this season, for the guidance on the way to being conference champs, and for helping us go "OVER THE TOP."

1988 proved to be a most successful year for the Blazer cross country squad. The backbone of the team was made up of five returning lettermen, three of which were seniors. One of these seniors was returning conference runner-up Dave Jacobs. Along with the returning lettermen, new additions of a strong freshmen class led by Jason Washler and Kevin (Billy) Ortiz, and the addition of junior Bruce Carpenter strengthened the overall potential of the group. It was the job of first year coach, Tim Rayle, to bring out that potential. He did just that.

The squad got off to an excellent start, winning both the Snider and Hicksville Invitationals, along with our first seven meets. It was then that the squad realized the potential it contained. The training of Coach Rayle was designed to bring the squad to its peak at the sectional meet. For this reason it seemed that the team was in a midseason rut. But the training paid off, and finishing with a 13-2 regular season record, the squad was the N.E.C.C. Runners-up, third place at Sectionals, fourth place at Regionals, and a Semi-State qualifying team.

Individual highlights of the season included David Jacobs and Bruce Carpenter being named to the All-Conference, All-Sectional, and All-Regional teams. Kevin Ortiz was named to the second team All-Conference, and Jason Washler won the freshman race at the Northrup Invitational. End of the season awards were won by David Jacobs as most valuable runner, Kevin Ortiz as most improved runner, and Doug Underhill with the mental attitude award.

The team would like to extend its thanks to all of its supporters.

There were only three members of the girls cross country team this year, so we were not an official team. It takes five people to be a team. This team was an inexperienced one since I was the only returning runner. As each meet passed we all gained experience, including the coach. I hope more girls go out for cross country in the future and help build up the program.

The Eastside wrestling team had an outstanding season. As a team, we placed second in the Carroll sectional with six grapplers advancing to regionals. Brian Minnick (125 lb.), John Van Dyke (189 lb.) and Todd Mason (119 lb.) took the extra stride and competed in the Goshen semi-state competition. With a record consisting of 12 wins and 1 tie, this year's success is due to the dedication of head coach Greg Fetzer and assistant coach Steve Lechleidner.

The 1988-1989 Varsity and J.V. Cheerleaders enjoyed an exciting, fun-filled year. In June, we attended camp at St. Mary's College in South Bend. Both squads competed receiving blue ribbons for performances. The Varsity squad was nominated to compete for the Award of Excellence and received runner-up squad of the entire camp. We also competed in several area competitions, and received first place at the LaGrange County Fair. At the Indiana State Fair Competition senior Stacey Brewer received the Senior Spirit Award.

Both squads worked very hard to get ready for football and basketball seasons. Spirit at Eastside was good this year. The cheerleaders, the pep block, and the fans worked together to create support for the teams. Overall, it was a fun, productive year for both the cheerleading squads and the teams.

BASKETBALL

The 1988-89 Varsity Basketball squad improved their record this year compiling an 11-11 season. One reason for this achievement was the coach's continual emphasis on the importance of teamwork. Throughout the year the team did things together such as attending college basketball games and staying at a player's house during sectionals.

The fan support given to the team this year was great and very much appreciated. Though we lost some heart-breakers, such as the game with the last-second shot by DeKalb, everyone on the team gained something positive through the basketball program this year.

The 1988-89 season was a new beginning for the Lady Blazers basketball team. Scott Fleming coached us to a 7-11 record. We finished fourth place in the conference with a 5-4 record. Because Mr. Fleming worked us hard learning the fundamentals, our lack of heighth did not stand in our way. We managed to get good position on the boards and out-rebounded much taller opponents. Everyone had a lot of fun. It was a great learning experience for everyone involved. Good luck to next year's team!

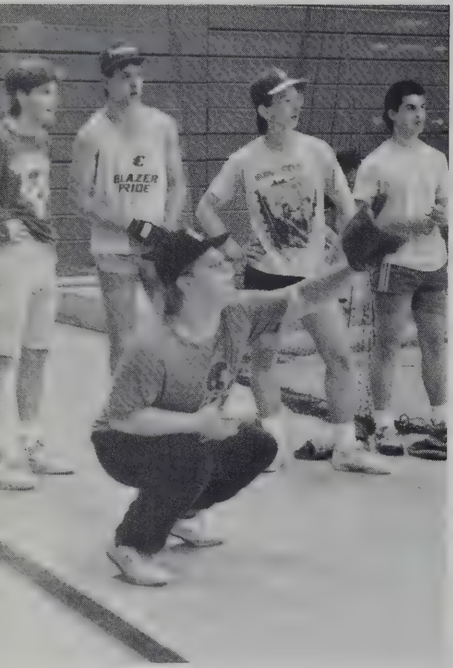
BASEBALL



The 1989 edition of the Blazer baseball team really was no different than those of past years. We won the conference title and the conference tourney title. What made this team different than any other team I have played on was all of the adversity we had and how we dealt with it. We had injuries and suspensions to key players, yet we still kept on winning. I felt that this season was extra special because of this and because our seniors were the only ones in Eastside history to win the conference tourney in all four years of their high school careers.

We had a variety of experienced persons to choose from for our 1988-89 girls softball team. As we approached our second year of girls' softball, we all knew that we were looking toward harder practices. The team had to work together as one.

This year we worked with our new pitching machine. The machine helped us a lot. It helped us to get our bats around quicker and prepared us for faster pitchers.

We kept close games with many of the teams until the fifth inning. Once we approached that inning, we slacked off. It was more or less the "fifth inning follies." That one inning would usually cost us the game. Toward the end of the season, we had almost mastered the fifth inning without any follies.

Due to the weather, we had a lot of our practices inside and games were cancelled. As a result of inside practices, tempers grew short. Sure, we had our ups and downs, but as a team we worked out our differences. Our season was much better this year compared to last year.

TRACK

The 1989 Eastside varsity track team was under the helm of first year track coach Jon Hollabaugh. The track team only compiled one victory this season; however, great strides and improvements were made.

The 1989 Cindermen consisted of six graduating seniors: Alex Brenas, David Jacobs, Mikkel Korsholm, Tim Maloney, Chad Shelton, and Matt Shockley. The team will have ten returning lettermen to next years squad.

Besides regular track meets, the Eastside track team also participated in the Central Noble Invitational and the Montpelier Relays. We had several who qualified for sectionals. Bruce Carpenter was the only Eastside runner to go on to regionals. He then made it through regionals and qualified for the state track meet. Bruce placed twenty third at Indianapolis.

The Eastside track team has a lot of talent. Hardwork and determination should reward the 1990 track team with a very successful season.

The 1989 track season was a new experience with our new coach, Kevin Fiedler. Nobody knew what to expect of him, but we made the most of it. For as young as the team was, we did really well. I would like to thank all of the girls for all of the great times we had. I wish all these girls luck in the future.

Dear Graduate:

You have spent many years and countless hours studying the basic laws of nature and science that govern our universe, and the laws of business, society and government which govern our human relationships in order to be prepared to meet the challenges of life. Your success in meeting those challenges will largely be determined by how well you are able to function within the framework of these laws.

However, perhaps in your quest for knowledge and understanding you have ignored the most important laws of all the eternal, unchangeable laws of God that now only govern the degree of happiness with which we will enjoy life, but will determine our eternal destiny. It is only as one understands and accepts these spiritual laws that the basic questions in life can be answered — WHO AM I? — WHAT IS MY PURPOSE IN LIFE? — and WHAT IS MY DESTINY? These laws are presented for your consideration and examination in the hope that you will find, as we have, the abundant and eternal life that is available in Jesus Christ.

Sincerely — AMBASSADOR STEEL CORPORATION

Daryle L. Doden, President
Richard C. Ripberger, Vice-President

Ryan L. Hoover, Secretary
Bruce S. Holwerda, Treasurer

LAW ONE: God LOVES you, and Offers a Wonderful PLAN for Your Life.

"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish but have eternal life." — John 3:16.
"I came that they might have life, and might have it abundantly." — John 10:10.

LAW TWO: Man is SINFUL and SEPARATED from GOD.

"For all have sinned and fall short of the glory of God." — Romans 3:23.
"For the wages of sin is death." — Romans 6:23a.

LAW THREE: Jesus Christ is God's ONLY Provision for Man's Sin.

"Christ died for our sins . . . He was buried . . . He was raised the third day, according to the Scriptures . . ." — I Corinthians 15:3-6.
"Jesus said to him, 'I am the way, the truth, and the life; no one comes to the Father, but through Me.' " — John 14:6.

LAW FOUR: We Must Individually RECEIVE Jesus Christ as Savior and Lord.

"But as many as received Him, to then He gave the right to become the children of God, even to those who believe in His name." — John 1:12.
We must receive Christ through Faith "For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast." — Ephesians 2:8-9.
We must receive Christ by personal invitation "Behold, I stand at the door and knock; if any one hears My voice and opens the door, I will come in to him." — Revelation 3:20.
